## Mental Health

Future Project provides a wide array of comprehensive and enriching programs and services for children and families throughout New Jersey. These services are designed to unlock the future potential of everyone we serve.

Future Project utilizes professionally trained staff with varying degrees, certifications, licensures and languages to meet the goals outlined in each person's individualized treatment and or service plans.

As an approved Medicaid Provider under New Jersey's Children's System of Care (CSOC), Future Project provides the following services to youth between the ages of 5-21:

- Biopsychosocial Assessments
- Intensive-In-Community Services (IIC)
- Behavioral Assistance (BA)
- Mentoring
- Tutoring
- Specialized Groups
- Therapeutic Summer Enrichment Programs
- Parenting Groups

For the Past 19 years, Future Project has been assisting children, adults and families in positively transforming the self, family dynamics and perspectives while connecting them to their communities.

## Supports Program

In 2016, Future Project was given the keys to "Unlock More Potential" by becoming an approved Medicaid Provider for the New Jersey Division of Developmental Disabilities. We can provide Supports Program Services to adult individuals with Intellectual and/or developmental disabilities over the age of 21.

Our KEY Programming include:

- Community Based Individual Supports
- Behavioral Supports
- Supported Employment  
(Individual & Group)
- Career Planning
- Community Inclusion
- Prevocational Training
- Natural Supports Training
- Interpreter Services
- Respite

## Outpatient Program

Future Project offers counseling/therapy through our outpatient program to address a wide range of struggles that an individual and/or family with emotional, mental and behavioral health concerns may face. Our highly trained clinicians utilize various interventions and strategic therapeutic approaches to respond to the needs of individuals and families and help them return to optimal levels of functioning. We accept Medicaid and referrals from various levels of care.

Key Services:

- Individual Therapy
- Family Therapy
- Couples Therapy
- Group Counseling
- Play Therapy

## What Sets us Apart?

- Future Project has established partnerships with community programs and sponsors to yield additional resources for individuals and families.
- Future Project gives back to the community by hosting and participating in various Outreach Drives to assist those in need (i.e. Back2School, Thanksgiving Food Giveaways and Toys for Children during the holiday seasons)
- Future Project offers flexibility in meeting individual needs in varying environments.
- Future Project offers comprehensive wrap around services tailored to meet individual needs and outcomes.
