

# Promise Day Habilitation

*Meaningful days filled with smiles!*

Join Us! and experience first-hand Promise Day's innovative client centered day habilitation program. Our innovative program includes...

**Person-centered** individualized programming to help each member reach their individual goals and potential.

**Coordinated** planning with Support Coordinators to create an Individual Service Detail Plan to reach individual goals faster.

**Community Integration** allowing our members to enjoy and grow through exposure to museums, libraries, aquariums, parks, bowling, and science centers...

**Employment First Services** to assist the client with possible employment, we offer employment classes, computer skills and interview skill and job training. We offer the opportunity to demonstrate skills in a volunteer setting.

**Social opportunities and daily living skills development**, mentoring, training, community integration activities, behavioral interventions, development and nurturing of natural supports

**Experienced & Caring Staff** specially trained to engage and support our members in an energetic and loving environment.
