

Welcome!

Special Projects for Special Children, Inc. (SPSC) is a not-for-profit organization that offers a wide variety of adventurous, challenging activities to Old Bridge residents with disabilities. SPSC is proud of the Old Bridge ROBIN Program, which is a collaborative effort of volunteers, businesses, residents and Old Bridge Township, who together dedicated the Camp ROBIN Activity Center and accessible playground in Geick Park in 1998, located on Route 516.

Camp ROBIN is devoted to meeting the recreational needs of its participants.

ROBIN, an acronym for Recreation in Old Bridge for those In Need, is a community based, year-round Therapeutic Recreation Program. It is run by the Old Bridge Department of Parks, Recreation and Social Services, serving individuals with disabilities from Old Bridge and surrounding towns from ages three through adult.
