Routine Transportation

Available transportation will depend on your location and condition and may include:

- **Car, vans, taxi or rideshare service**
- **Ambulance (ALS / BLS), mass transit, specialty care transport**
- **Wheelchair lift-equipped vehicle**

There is no additional cost for this service beyond the current health plan. However, there may be a limit to the number of trips a member can take annually. A trip is considered one way; a round trip would be two trips.

Please contact Customer Service at the number on the back of the member ID card to determine how many trips are included in the plan.

This is a curb-to-curb service. Drivers are not allowed to enter a member's home or medical facility. Drivers are required to wait at most 15 minutes past the scheduled pick up time.
