

Outcome Driven

SERVICES FOR CHILDREN AND FAMILIES

Our team of compassionate professionals will provide your child and family with individually tailored services designed to overcome a wide range of emotional, behavioral or relationship problems. We'll work together to help your child: Increase positive behaviors at home and in school, strengthen social skills and self-esteem, develop self-control and manage anger, restabilize following a psychiatric crisis, succeed in school, decrease conflict with family members, teachers and peers, heal from traumatic effects of abuse, and recover from emotional distress. We service children and families in multiple counties throughout the state of New Jersey

■ ABOUT US

Every Child Matters was founded in 2017 by Jacqueline D. Baxley, a licensed professional counselor with more than 15 years of experience in the industry. Since the establishment of our facility, we have serviced hundreds of children and families throughout the state of New Jersey providing therapeutic services in their homes and communities. We are capable of offering a broad scope of mental health counseling services on an outpatient and in-home basis to children five years of age and up, adolescents, adults, families, and couples. Our services are designed to meet the needs of individuals and families from diverse backgrounds who may benefit from outpatient or in-home assessment and treatment.
